## *Obituary*

Cercia B. Moye was born to Henry and Tumpie Alexander on the plains of Pauls Valley, Oklahoma on August 29, 1925. Cercia was baptized at an early age and was the fourth child in a family of five sisters and one brother, Zepherine, Richard, Tessie, Pernetha, and Rosie.

Cercia attended school in Davis, Oklahoma and furthered her education at Real Estate Training School where she earned her certificate to become a successful Realtor. Before Cercia had made this major career advancement, she worked in the nursing field.

Cercia Alexander met Aubrey Moye, who was an upcoming young business man. They had a long relationship as friends before they decided to get married on January 19, 1956, and to this union three beautiful children were born: Deborah, Anthony and Wallace.

Cercia was an active member of St. John Missionary Baptist Church for 50 plus years, where she participated in WMU, was a leader of her Parish Fellowship group, a Sunday School member, and was an active participant of the Deaconess Board of the church. Her husband, Aubrey Moye was also an active member and Deacon.

Cercia Moye was an awesome lady of her time who displayed kindness in a loving manner, and would always be willing to share anything she had with you. Cercia was a very beautiful woman inside and out.

Cercia Moye was called home on February 11, 2014, and was preceded in death by her parents, Henry and Tumpie Alexander; her husband, Aubrey; her son, Anthony; her sisters and brother: Zepherine, Richard, Tessie and

Penetha. She leaves to cherish her memory, her two children: Deborah and Wallace; her sister, Rosie. Four grandchildren as well as many relatives and friends.

She had a fruitful life of 88 years in which she did her best with all that she put her hands on. She will be deeply missed by all those who had the privilege and honor to know and love her. Her strong Christian beliefs and convictions have ensured her place at the right hand of Jesus. Cercia, you will truly be missed and your memory will enblazened in our hearts forevermore.

### *A Tribute To Our Mom*

*To say that we love you is not enough. To say we miss you, there are no words. We mourn the passing of our mother, our queen, yet we understand you are in a better place smiling down on us. We know your love for us will never leave and that we hold on to it.*

*You provided us with many wonderful and loving years to which we treasure. We know you are at peace. We thank God for the priceless time you gave us as you will always be part of us. Rest well Momma until we meet again.*

*Love,  
Deborah & Wallace*
