Obituary

Cynthia Wilson-Bennett, 58, passed away May 15th, 2019, with her family present. She was born August 27th, 1960, in Hobart, Oklahoma to Doris (Wilson) Gamble and Alvin Dorsey.

Cynthia graduated from Del City High School in 1978, received an Associate's degree from Oscar Rose Junior College, May 6th, 1983, and married her husband Don the next day. Cynthia earned her Bachelor's degree May 4th, 2001 from the University of Central Oklahoma, and retired as Social Services Specialist in November of 2010, from the State of Oklahoma's Department of Human Services (DHS) with 30 years of service.

She enjoyed reading in her spare time, was passionate about helping children and people in need, and loved spending time and laughing with her family.

She was preceded in death by her mother Doris Gamble, her dad Willie Gamble, and her grandson Remington Bennett. She is survived by her spouse Don Bennett, her son Donnie Bennett, her brother Anthony Wilson (sister-in-law Alisha Wilson), a stepbrother, several half brothers and sisters, aunts, uncles, nieces, nephews, many cousins and friends.

Cynthia's initial diagnosis with breast cancer was detected with a scheduled annual mammogram and undoubtedly added years to her life, because it had progressed from nothing to stage three cancer within a year's time. After her initial diagnosis with breast cancer, Cynthia became impassioned with educating men and women on the importance of self-examination, and getting regular checkups and mammograms. Her message was clear, save your life and extend your time with family and friends by getting checked.
