

CELEBRATING THE LIFE OF

Kim's Tribute

In loving memory of The Love of My Life, a True King. It is so hard to put into words how much I will miss you and our laughter.

Thank you for being my Superman. For always making me smile. I never imagined life without you but I know that Heaven needed a King. I am thankful and truly honored to have shared so many wonderful years with the love of my life. You held my hand and my heart and never let go. We have shared so many blessings together, so few tears, and you truly made my dreams come true. Thank you for being my best friend, loving me unconditionally, and being my soulmate. Now rest and enjoy your kingdom my love. I know we will be together again.

Love your Queen Wifey

Antoine

CHRISTOPHER WILLIAMS

Obituary

Antoine Christopher Williams was born on May 27, 1978 in Oklahoma City, but was raised in California. He was one of three children born to Brenda and Eugene Williams. Chris departed this life on Friday, May 31, 2019. Chris is now reunited with his grandmother Ruthie Williams, his father Eugene Williams, his aunt Mildred and Uncle Judge Long, and his uncle Wade "Speedy" Woods. Chris moved back to Oklahoma City during his middle school years and attended Jackson Middle School. He then attended Northwest Classen High school in Oklahoma City where he lettered in Baseball, Football, and Basketball and made many lifetime friends. Chris was often described by his friends, classmates, and teammates as outgoing, a self-starter, and always motivated to do his best. Chris could accomplish anything he set his mind to.

After Highschool, Chris began a career in EVS at Oklahoma Medical Research Foundation where he displayed exceptional skills in his craft. These skills allowed him to quickly excel and get recognized by the company. Chris would always say "all I need is an interview and the job is mine". His talents led him to work with Aramark where he traveled from Hobart, OK to Kansas City, MO to Houston, TX and then settled in Fort Worth, TX where he was the Operations Manager for Baylor University Health Systems. Chris recently transitioned to become a traveling Operations Manager for A.B.M.

Chris had a tremendous heart and a brilliant mind and spent his life planting seeds of kindness. He never took for granted the opportunity to make people laugh and educate them on his thoughts on the world. He had the ability to see the goodness in everyone. In his leisure time he loved spending time with his lovely fiancé Kimberly Wilson as well as their beloved Schnauzer "Lady". He took great joy in making people laugh, helping others, spending time with family, working on his golf game, and perfecting his skills as "grill master".

Chris will be remembered for his infectious smile, his giving heart, his spirited approach to politics, and his unwavering love and loyalty to OU football and his beloved San Francisco 49ers. Chris was loved, is missed, and will always be cherished by his family and friends.

Chris leaves to cherish his memories his mother, Brenda Williams, his fiancé Kimberly Wilson, his brothers Devon and Damone Williams, his sisters Dominique Baradaran, Shantay Williams, and Khi Williams, his son, Christopher Sir Ceasar Williams, his Brother in Law Shax Baradaran, his Sister in Law Myeisha Williams, his niece Jordyn Williams and several loving aunts, uncles, cousins and a host of friends.

"Death is not the end. Death can never be the end. Death is the road. Life is the traveler. The Soul is the Guide."
