

When Tomorrow Starts Without Me

When tomorrow starts without me
 Although you cannot see my smile
 I am happy and at peace
 Standing right there by your side
 I heard all your wonderful stories and beautiful memories
 I am now with the Lord singing glory and sweet melodies
 When tomorrow starts without me
 And you don't understand why
 When you pick up the phone to call me
 And I don't answer... Don't cry
 I provided you with the tools and manual
 For you to continue to survive
 My family, you will be just fine
 My love will continue to guide
 Be not burden with sorrow
 For only my flesh is still there
 My soul is anchor in the Lord
 And my heart was prepared
 I know that I left you all so soon,
 And you don't think it was fair
 However, my assignment was complete
 And Tubby needed me more up here
 When tomorrow starts without me
 Now that my soul is resting
 Don't you girls be up in that kitchen fussing
 About who's making my peach cobbler and cornbread dressing
 I raised you all to be strong, loving, respectful, caring and with compassion
 Carolyn, Connie, Cordelia, LaTisha, and Catana
 I love you all more than you could ever imagine
 When tomorrow starts without me
 Although you didn't hear my voice
 I wished you a Happy Birthday LaTisha
 And a Happy Thanksgiving to all
 I know that you all are hurting
 And you're feeling a type of void
 I want all my family and friends to get their hearts right
 And make a joyful noise unto the LORD
 When tomorrow starts without me
 Understand this was all in God's plans
 To be the best Grandmother I could be
 To all my grandchildren and great grands
 Wipe you face, sit up straight, keep your head up high and follow God
 Stay in school, do your best, and make grandma very proud
 When tomorrow starts without me
 Pray for my brother Charles Dean and my sister Viola (Babydoll)
 We have a bond no one could break
 And no one better not touch one of us
 Or get up in our face
 Because now you have to deal with all of us
 We laughed, we cried, we fought, confided
 I miss you my sister and my brother
 No matter how hard they tried
 No one could ever deny
 The love we have for each other
 I leave you all with my legacy
 For this too shall pass
 With God's grace and mercy
 Remember, only what you do for Christ will last
 For life is just a stepping-stone
 A pause and a simple place to rest
 Before you make it to your eternal home
 I want you to prosper and be bless
 Life's journey is a path that we all must take
 With trials and tribulations
 However, my God, he makes no mistakes
 I made it home to my final destination
 So do not mourn for me too long
 For this is just a part of life's cycle
 I miss and love you all and I'll see you again
 Love Always,

Mable (Reba) Wright
