TO MY LOVING HUSBAND

On August 12, 2016, you asked me to dance, even though we were strangers, it was an instant attraction. We danced all night long, as if no one else was in the room. You let me know on our first official date that I was yours and you wouldn't let me get away.

On April 21, 2017, you made it official and we became husband and wife. Even though we were married, we never stopped dating. Like any relationship or marriage, ours wasn't perfect but we were two imperfect people that was perfect for each other. We taught one another about the true meaning of love. You are the love of my life, my bestie and soulmate and I'll cherish every memory we made. There are no words to express the way i feel with you being gone. You were sweet, loving, kind, caring, and a gentle spirited person. We truly enjoyed our life together. Life feels so incomplete now. But if I had a choice, I'd want you here by my side so I could hear you say Dana Ray, hey girl I love you so much. I will always treasure every moment I had with you. You are always and forever my husband.

I Love You Always & Forever,
Your Loving Wife
