## Farewell Most Beloved Mother

Thank You, Mom

For all the years you spent  
Raising and loving your children  
Thank you for always  
Showing us unconditional love

Today we celebrate your life  
But there is no measure of its worth  
You've touched our lives in ways  
No one else could, and there is no way  
You could ever be forgotten

Don't worry about us now  
You have spent your whole life  
Taking care of others  
Spread your wings now and fly  
As God awaits you in the sky

We are now faced with a time  
We never wanted to see  
The time we'd be forced to go on without you  
Our most beloved Mother

Secret tears still flow, and our heart still aches  
But we will rest in knowing, we will meet again one day  
God is waiting to take your hand at heavens pearly gates

## I'm Free

Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took His hand when I heard Him call,  
I turned my back and left it all.  
I could not stay another day  
To laugh, to love, to work or play  
Tasks left undone must stay that way,  
I found that peace at the close of day.  
If my parting has left a void  
Then fill it with memories of joy,  
A friendship shared, a laugh, a kiss.  
All these things, I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow,  
My life's been full, I've savored much;  
Good friends, good times, a loved one's touch.  
Perhaps my time seemed all too brief;  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free.

## Life's Journey of Patricia Ann Ingram Johnson

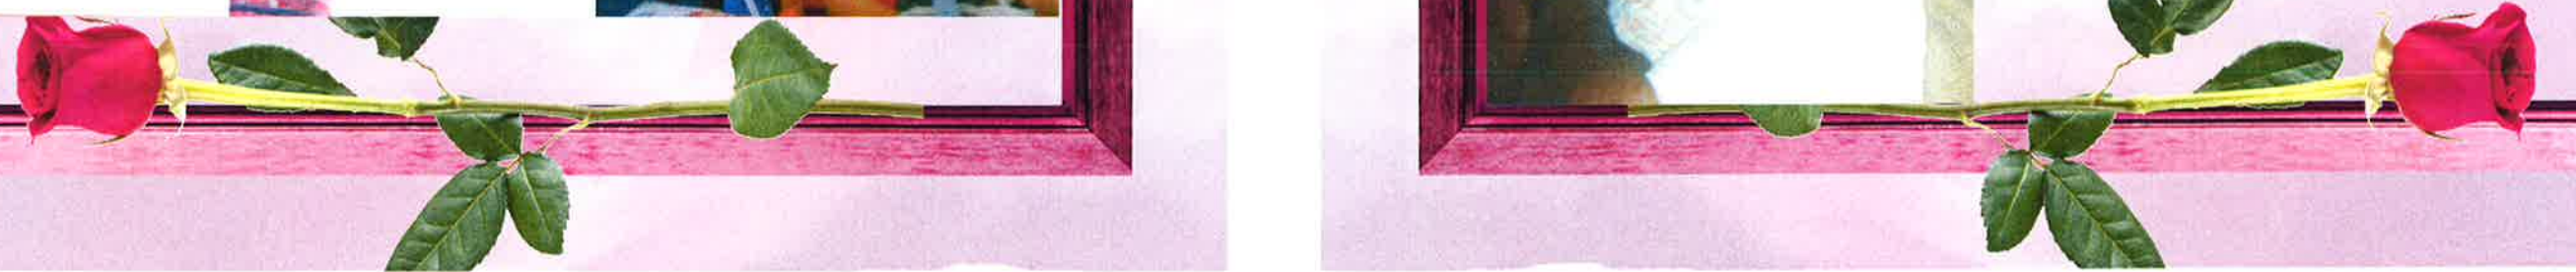

Patricia Ann Ingram was born November 23, 1942 to Levi and Tomella Perry in Sanford, Florida. She transitioned to eternity with the Lord on Easter Sunday, April 12, 2020 in Oklahoma City, Oklahoma at the age of 77. Preceding her in death were her parents, Levi and Tomella Perry; two daughters, Tonya Dawn Ingram, and Cynthia Ann Ingram; and one grandson Rodney Filmore Hennesy, and one granddaughter Dykesha Ann Ingram.

She attended Dunjee School in Spencer Oklahoma and Frederick Douglass High School of Oklahoma City. She attended Amity Nursing School and worked as a certified nursing assistant and a medication aide. She later went to work for Dr.'s Santosh and Kiran Prabhu and their beautiful children, where she spent the remainder of her work life. They became her second family. She loved them and they truly loved her, and took very good care of her.

Among her hobbies, she loved spending time at the casino with her children and grandchildren, receiving cash instead of gifts, and her favorite saying was, "Don't give me my flowers when I'm gone, give them to me now."

Earlier in life, she united with Reuben Julius Ingram Sr. Together, they proudly parented eight beautiful children. She later went on to have four more beautiful children, which made her a proud mother of twelve. She raised her children when they were small to have a strong relationship with God. They attended Redeemed Missionary Baptist Church, where she served as Secretary of the Mission Board.

In March 2010, she married the love of her life Robert Johnson. She leaves to cherish her memory, her loving husband, Robert Johnson of the home; three sisters: Eva Jacqueline Perry of Oklahoma City, Erma Marshall of Oklahoma City, and Wanda Crawford of Oklahoma City; nine children: Tommy Lee Ingram of Oklahoma City, Belinda Rugail Alexander of Oklahoma City, Laura Mae Linzy of Oklahoma City, Pamela Diane Triplet (Eugene) of Oklahoma City, Reuben Julius Ingram Jr. (Katrina) of Houston, Texas, James Rushing of Dallas, Texas, Gaytra Lynn Rushing of Oklahoma City, Tonya Kay Arinwine of Oklahoma City, and Latrice Washington (Malcolm) of Oklahoma City. Also, she leaves a legacy of five generations, which include her 9 children, 44 grandchildren, 90 great children, and 14 great, great grandchildren.

# Loving Words From Her Children

I wrote this so that you will always know what you have meant to me through the years. You are truly the kind of mother every child dreams of having. Your love and kindness, your endless support and generosity know no limit. You have been the most important role model anyone could ever have. The person I am today is because you showed me everything. I know you have loved me unconditionally, and above all else, not matter how far I go, I will always need you. Thank you for the greatest gift I'll ever receive . . . You!

**I Love You Always & Forever,  
Latrice**

I love you Moma and miss you. You will forever be missed. I miss all the good times we had.

**Love, Belinda**

Although you can't be here with me, we're truly not apart until the final breath I take. You'll be living in my heart.

**Love Always, Gaytra Rushing**

My mother meant the world to me. She was not only my mother, she was legendary, my best friend, and my right hand.

**Love Always, Pamela Triplet**

Mom, I want to say I love you and I will miss you. When she turns to smile Lord, place a kiss upon her cheek and hold her for awhile.

**Love Always, Tonya Kaye**

Mom, I will always love you. You have been there for me, when others turned their back on me. I could always count on you no matter what, you always stood by me and helped me. You will forever be in my heart.

**Love Always, Tommy Ingram**

Mama, I love you. I miss coming by to see you and making you laugh. I am going to miss picking up the phone and talking late at night. We only get one mother and I am going to miss you. I love you forever.

**Love Always, James Rushing**

Mom, you and I have always had an unbreakable bond. There is no way death could ever change that between us. I will forever be indebted to the unconditional love you showed me. In each other's eyes, we could do no wrong. You were bold and spoke your mind, but there was no kinder soul than you. There was only so much time I could stand being away from you, before I would have to pay you a surprise visit. As I would leave, I would gently kiss you on your head. My biggest goal was to never go without letting you know how great of a mother you were. I want to tell you just how much I loved and appreciated all the sacrifices you made for your children. Now, when I miss you, and want to tell you how much I love you, there will be no more long drives, because you'll always be with me in my heart. Rest easy Mom, you were very special, one of a kind, and my most "Beloved Mother."

**Love Always, Reuben Ingram**
