# Obituary

John Curtis Williams II was born and raised in OKC, OK to Lou Wreatha Thomas and John Williams. John "Pops" was known for his warm spirit, genuine love, and easy going attitude. You could catch Pops dancing or catch him hanging out fishing. He was an excellent domino player, and card player but above all, he was an amazing cook. He enjoyed bringing his family together, watching everyone share laughs while enjoying one another's company as well as his food. Nothing brought him more peace and love than spending time with his family.

John leaves to cherish his memory: his siblings; Latrell Williams, Angela Douglas (Ray), Carla Meadows, Kenny Williams, and Alice Williams. His wife Rochelle and their children: Terry Williams, Torrie Reece, Rocky Williams and Raven Williams. Grandchildren: Hassan Williams, Jaliyah Williams, Ramya Reece, Kiarra Reece, JC Williams, RaNea Williams, and Shyla Williams.

He physically had four children but spiritually he had a lot more people that automatically connected with him and he automatically treated them as his own children. Family, like Vickie Gaines and Chris Williams honored him as their own father. Steve Santos was one of his best friends and he is our family. John Williams was an executive chef for over 12 year's. He was very talented with cooking and he passed the same delicious recipes to his children. John love to dance and listen to music. He has always been the life of the party. And he knew how to keep you laughing.

John not only taught us how to cook but he also passed down his priceless wisdom. It was definitely a two for one each time. John believed strongly in learning and living and moving forward in life. John showed us how to survive and how to maintain. And he was definitely a hard working family man. He loved his family and provided for us so many ways than just physically. He taught us about faith and trusting God and how to persevere through the tough times. He knew how to listen, even when we didn't tell him our problems. He definitely had special ears to hear and a big heart to care. His motto

## GOD'S GARDEN

God looked around His garden  
And He found an empty place.  
He then looked down upon this Earth,  
and saw your tired face.  
He put His arms around you and  
Lifted you to rest.  
God's garden must be beautiful,  
He always takes the best.

He knew that you were suffering,  
He knew you were in pain.  
He knew that you would never  
Get well on earth again.  
He saw the road was getting rough,  
And the hills were hard to climb,  
So He closed your weary eyelids,  
And whispered "Peace be thine."

It broke our hearts to lose you  
But you didn't go alone,  
For part of us went with you,  
The day God called you home.

- Torrie

Daddy you hold a special place in my  
heart. You were the BEST father a  
daughter could ask for. You were be-  
yond kind, understanding, and patient.  
You were the perfect father. I under-  
stand you're not hurting anymore but  
I'm hurting, and I'm in pain because I  
miss you and I wasn't ready for this but  
I know you're in heaven, and in peace. I  
love you always Daddy ♥♥

A Daughter's Love,
