## Husband

*The day you left and gained your wings  
my heart just broke in two  
I wish you could have stayed with me  
But Heaven needed you*

*You left me with the memories  
And I love you dearly still  
No matter how much time goes by  
You know I always will*

*You were a very special person  
With kindness in your heart  
And the love we had together  
Grows stronger now we're apart*

*I know I cannot bring you back  
Although I wish it everyday  
But a piece of me went with you  
The day you went away*
