Brother

Today is full of *memories*
of a *Brother* laid to rest
and every single one of them
is filled with happiness

For you were someone *special*
always such a joy to know
and there was so much pain
when it was *time* to let you go

That's why this special message
is sent to *heaven* above
for the angels to take care of you
and give you *all our love*

*From the family of Uncle Larry Allison
We would like to say a Special Thank You for all
those who helped & Supported us
during this time.*
