Mom wrote & read scriptures everyday.

This was her last scripture of the thousands on Dec 23, 2020.

I am King of King and Lord of Lords, dwelling in dazzling bright light. I am also your shepherd, companion and friend. The one who will never let go of your hand.

A Tribute To Our Granny

So many called you "Granny", but I bet they don't know why.

So I'll try my best to explain to them the reason that we cry.

The G stands for your **Godliness** and how you raised us right.

The R stands for **Resilience**, that you showed when you were tired.

The A is for your **Ageless** beauty, you always had that smile.

The first N is for your **Nurturing** nature because everyone was your child.

The second N is for that **Natural glow**, like your skin was sprayed with sheen.

The Y stands for your **Youthfulness** yes you were the Fitbit queen.

There's so much more that I could say if I only had the time.

But while the tears stream down my face I'll also crack a smile. Because I know you're watching us and that you're with us all the while.

So if you miss the carrot cake and sweet potato pie just know our Granny was so much sweeter and that the reason we cry.
