Love

Sitting here thinking selfish thoughts, on how you left me here alone with a broken heart and memories of our happy life together.

When this is all about your home going You were my love, my life, and most of all my best friend. Two things for certain, You will be born and you will die. Everything you do in between is what you make of life. And together we enjoyed life while worshiping God. Honey I will continue to love you real hard until I depart this earth.

Love Always

Warren "Baby"
