# Obituary

Larry Darnell Walker was born on March 22, 1951 to Leslie Shaw and Ruby Mae Walker in Oklahoma City, Oklahoma.

Larry was born and raised in Oklahoma City where he accepted Christ at a very young age. He attended Douglas High School and later studied business at a Job Corps. He then went on to open a productive upholstery business which he was very passionate about. One of Larry's greatest accomplishments was a map of the State of Oklahoma that he made from genuine leather that is displayed at the Cowboy Hall of Fame to this very day. Larry enjoyed spending time with his family, fishing, and reinventing furniture.

Larry fell in love with his High School Sweetheart Stephanie Morrison, and their relationship produced a baby boy, Larry Donnell Walker Jr. Larry later settled with Betty Ann Bennet until she preceded him in death. Larry was also preceded in death by both of his parents, two sisters, and several others. Larry leaves to mourn his death his only son Donnell, one living sister, Patricia, several grandchildren, a cousin that was more like a brother, Charles Watson, and a host of nieces, nephews, cousins, and friends. Larry will definitely be greatly missed.
