Obituary

Mr. William Johnson was born on June 30, 1942 in Chambers, Mississippi to late William Johnson, Sr and late Katie B. Johnson. William was the 2nd born out of his five siblings. The family later moved to Oakland, California in September 1948. His mom passed away at age 35 which left him and siblings raised by his grandmother Mary Lowery. He graduated with the Class of 1959 from McClymonds High School, Oakland, California. Soon after graduation he enlisted in the United States Marine Corps where he served with honor. He was then employed by the Waterfront in San Francisco, California. He finished his career at FAA with 30 years of service.

William Johnson married at age 21 and birthed a daughter Tonya Anglin Johnson. Later he moved to Oklahoma where he met his wife Wanda Johnson and birthed a daughter Nicol (Johnson) McEntire. William Johnson had a big heart when it came to family he came from a blended family, He knew the true meaning of family. It may seem like a non-traditional family unit from the outside, but William's bond with his other children from his marriages was no different than if they'd been related by blood.

William had a passion for History and especially Black History and received his degree at Oklahoma City Community College. His passion includes spending time with family and friends; listening to the Blues and Jazz; and traveling as long as if it was on the road. He spent his free time researching and studying maps.

Living with cherished memories are his lovely wife Wanda Johnson; his sister Lois Johnson; daughters Tonya Anglin Johnson and Nicol McEntire; step-children Sharon McFee, Latreese and Catina Engram, Rudolph McFee, Edward Jordan, Rodney Johnson, Ramon Edwards ; Grandchildren William, Kendrick, Brandy, Keiowka, Kyla, Christian Riyan, Ashley, Laylah, Riley, Raven, Reagan and Reyna; and a host of great grandchildren, aunts, nieces, nephews, cousins, and friends. He proceeds in death with his mom Katie B and dad William Johnson; his brothers Floyd, Thomas, Pal, Layjoy Johnson, Barnabas Fairfield; Uncle JC; and his grandmother Mary O Lowery.

Letters to our *Daddy*

Oh how I miss you Daddy

How I will miss your phone calls and your stories about your life as child and growing up. I would do anything just to hear your voice for just one more minute. I have so many things to tell you, so until I see you again Save me a place in Heaven next to you. I love you Daddy AKA "Big O".

Love you,
Tonya

Until we meet again...

Those special memories of you will always bring a smile. If I only I could have you back for a while. Then we could sit and talk again just like we used to do. You always meant the world to me and always will do too. The fact your no longer here will always cause me pain but you're forever in my hearts until we meet again.

Love,
Your "fat mama"
