Officiating

Kai,

You are so loved. Your spirit was more than what a mom could have ever ask for. I have always said you were my sweet child. You shared your sweetness with so many others. They have shown you so much love and respect. My heart is over joyed but also filled with so much pain. I want to thank everyone for all the calls, texts, donations, cards, hugs, kisses, and most of all love. Not a day goes by I don't think of your sweet face. My soul, my heart, my baby.

Love Mom

IN LOVING MEMORY

KAI D ROSS

Kai Devon Ross was born and raised in OKC, OK. To Victoria Gaines and Kim Ross. Kai was a great little brother and an awesome big brother. His precious smile always could light up any room. He was always sweet and willing to give help to anyone. At age one he was trying to open doors for the ladies. Being competitive in every way, Kai grew a love for sports. Basketball and Football became his hobbies at a young age. Basketball was his favorite. We enjoyed watching him transition into a team player and a dedicated team mate.

Kai left us too early. God had another assignment for him. Kai had so many goals and dreams that are now sweet memories. It may be selfish to want to keep Kai here with us forever, but if I could be selfish, I would. Life is so precious, sweet and short. But Kai will live in our hearts forever.

Kai leaves to cherish his memories: his siblings, Benito Bowie III, Zatoria Bowie, Aziana Ross, KyRie Gaines, Terry Gaines III. His Grandma, and many uncles, cousins, and friends. He precedes in death with his Grandma Hessler and Uncle Tony,

I Am Free

Don't grieve for me, for now I'm free,

I'm following paths God made for me

I took his hand, I heard him call

Then turned, and bid farewell to all

I could not stay another day

To laugh, to love, to sing, to play

Tasks left undone must stay that way

I found my peace ... at close of play

And if my parting left a void

Then fill it with remembered joy

A friendship shared, a laugh, a shot

Ah yes, these things I too will miss.

Be not burdened... deep with sorrow

I wish you sunshine of tomorrow

My life's been full I've much

Good friends, good times

A loved one's touch
