She then married Amos Paul Easley on December 23, 1970 and remained married until his death December 9, 2014 to this union two children were born.

Cinnie was educated within the Oklahoma City School system. She then began working for Continental Carlilse now DBA as CFS Brands for the past 15 plus years until her passing.

Cinnie accepted Christ at an early age and held onto her faith until the end. She was an extraordinarily strong woman and even amid trouble or pain you could never tell that she was going through anything. She really enjoyed spending time with her family. She loved cooking especially around the holidays, there was never a doubt that when Thanksgiving and Christmas came around, her cornbread dressing, peach cobbler pie and pound cakes would certainly be the most requested from everyone, she loved working in her yard, she was a green plant person and could grow anything from a stem and you better not had touch them because those were her babies, she loved her some leopard/cheetah print from her home décor to her clothes, she enjoyed watching good movies, sewing, upholstery and anything that would keep her busy. She always had to be doing something. She was the type of person that would tell it like it is with no filter, don't play. Her personality was such, that anyone would love her right away. She was the greatest to all who knew her.

## *No Tears in Heaven*

There are no  
tears in Heaven  
nor grief of  
any kind;  
I leave this  
final teardrop  
to those I've  
left behind.

Through absent  
from the body,  
I'm present  
with the Lord;  
the joy of  
my salvation  
is now my  
full reward.
