### **I'M FREE**

Don't grieve for me, for now I'm free,  
I'm following the path God laid for me.  
I took His hand when I heard Him call,  
I turned my back and left it all.  
I could not stay another day  
To laugh, to love, to work or play.  
Tasks left undone must stay that way,  
I found that place, at the close of day.  
If my parting has left a void,  
Then fill it with memories of joy.  
A friendship shared, a laugh, a kiss.  
All these things, I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow,  
My life's been full, I've savored much;  
Good friends, good times, a loved one's touch.  
Perhaps my time seemed all too brief;  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free.

*If our hearts could speak, they would cry out and say we never would've thought we'd be here today. So many plans for you to move back here, calls made for your voice we longed to hear. Stories that made you laugh, anecdotes and memories from the past, your beauty reigned supreme from the inside out. To know you was to love you without a doubt. A true fashionista we admired your style, always a class act with a beautiful smile. Although it's not easy to say good-bye, we know the Lord has given you your wings to fly. Heaven is rejoicing and you're present with the Lord, released from all pain and suffering, truly restored, not easy but necessary for you to depart. Gone from our presence, but forever in our hearts.*
