

Please Don't Be Sad

*Please don't be sad,
I miss you so much too.
It's beautiful here where
I am, but, I worry a lot
about you. I sleep with
angels watching me,
there's only Love up
here. I am never lonely
or afraid because God
is so very near.
I see Jesus everyday.
He is very kind and true.
I never have any pain.
I laugh and sing a lot
and I hear you when
you pray. Please don't be mad at
God, you see, He loves me too.
And even though you are not with me,
I am really still with you.*

*... Love Notes ...
From Your Children*

Dear MOM,

I am glad that I was raised by a strong woman like you. Seeing you, I have learned to get up each time I hit rock bottom in life. You have been my strength and inspiration. You have taught me to believe in myself and help others. Such valuable lessons helped me in life.

I am sorry for making you worry at times, but thank you for all those moments when you were there for me even when the whole world was against me. It gave me the courage to go in my chosen path. Never stop guiding and supporting me, as I do not know what I would do without you.

~ Delonta Compton

We think about you always,

We talk about you still.

**You have never been forgotten
and you never will.**

**We hold you close within our hearts
and there you will remain.**

To talk and guide us through our lives.

Until we meet again.

~ Marques Berry

MOM,

Could you come back and stay a while

I want to hear your voice

And see you smile

I want to hold you tight

And never let you go

And tell you how much

I love you so.

~ LaRica Compton

Mom,

They say there is a reason, they say time will heal. Neither time or reason will change the way I feel. Gone are the days we used to share, but in my heart you are always there. The gate of memories will never close. I miss you more that anybody knows, love and miss you everyday till we meet again. Always and forever, Love You!

~ ShuRonda Sheffield

**Mom
Now That I'm Older...**

As I look back on the years, I begin to understand. All of my life, you have loved me, only as a Mother can.

I see the love that surrounded, the countless sleepless nights. The scraped knees, and hurt feelings, your hugs and kisses magically made it alright.

Your sound advice and guidance, when I really needed you. And happy days spent together, talking and laughing as we do.

The many times you went without, to build a better life for me.

Your endless love has made a difference, in who I've come to be.

Mom, your love has come full circle, as I now love and honor you. You are always in my heart, for all you are and all you do.

~ Rickey Berry
