## *A Letter From Heaven*

*When each day starts without me,  
And I'm not there to see,  
If the sun shall rise and find your  
eyes, filled with tears for me.*

*I wish so that you wouldn't cry,  
the way you did today,  
While considering the many things,  
we didn't get to say.*

*I know the love you hold for me,  
is as much as I love you,  
Every time you think of me,  
I know you'll miss me too.*

*When each day starts without me,  
know that we're not far apart,  
for all the times you think of me,  
I'll be right here in your heart.*
