Family Don't Cry For Me

My resting place I have gone, I know this is hard for you.

My wish for you, is to be strong
and find strength in one another and don't be blue.

You will miss me, now I must rest
so hold me close in your Heart
And your loving memories.

There will be days when the sun shine and days when it rains
My wish is for you to smile and refrain from the pain.

On the days when your heart is
heavy and you feel you can't go on
Remember the love we shared and how often

we weathered the storm,
Hold your head up high
and pray to Jehovah God
For He is your salvation and
He will see you through.

So family, again do not cry for
me until the day we meet again
Remember we'll be apart for
only a short moment in time

When we meet again we
will sing a sweet melody
And live forever happy we will be.

Forever in my Heart

Valeria
