God Only Calls The Best

God saw the tiredness and decided of him that he was not to be a cure. So he put his arms around you and whispered "COME TO ME" with tears in his eyes I saw her go And, despite all the love I have for her when I saw her asleep so calm and pain free I can't wish her to stay and let her go. A heart of gold has stopped beating, her hands have bowed, and her eyes have closed, so God touched our hearts and showed us once again that he only calls the best.
