Legacy of Love

A wife, a mother, a grandma too,
This is the legacy we have from you
You taught us love and how to fight
You gave us strength; you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all in one way or another
Not just as a wife not just as a mother.
For all of us you gave your best

For all of us you gave your best And now the time has come for you to rest. So go in peace, you've earned your sleep, Your love in our hearts we'll eternally keep.

"She looketh well to the ways of her household, and eateth not the bread of idleness. Her children arise up, and call her blessed; her husband also, and he praiseth her."

— Proverbs 31: 27-28
