

WE'LL REMEMBER HER AS A
 LOVING SISTER, AUNT, AND
 FRIEND. THANK YOU FOR YOUR
 SERVICE.

I thought I saw her face today. In the sparkle of the morning sun.
 Then I heard an angel say "Her work on earth is done."
 I thought I heard her voice today.
 Then I thought I heard her unique laugh.
 Then I heard an angel say
 "She's at peace, little one, at last."
 I thought I felt her touch today in a breeze that rustled by.
 Then I heard an angel say,
 "The spirit never dies."
 "I thought that she had left me. For the stars so far above.
 Then I heard an angel say,
 "She left you with her love."
 I thought that I would miss her and never find my way.
 Then I heard an angel say "She's with you everyday."

In Memoriam

Irma Jean Gulley was born July 7, 1955 in Oklahoma City to the union of Emma Jean and Hubert Gulley. She departed this dear life on January 2, 2023. Irma professed a hope in Christ at an early age, joining Siloam Missionary Baptist Church where she was a member until her departure. Irma was the youngest of six children, preceded in death by both parents and two siblings,

Emma Lee and James Gulley.

Irma Jean received her early education in Oklahoma City Public Schools, graduating from Douglass High School, she attended Oklahoma State University and there became a member of Delta Sigma. Irma joined the Air Force in 1977 where she enjoyed traveling across the world and meeting amazing people, her services ending in 1982.

Irma later returned to work in the cleaning industry where she was also valued and appreciated, making a difference to many.

She remained working until her illness.

Irma was loved and respected by many, pets included, she treated her dogs like her own children, she loved her Dogs!

Well known for Babysitting, cooking fried potatoes and having an infectious laugh, not only on family but friends too.

Irma leaves to cherish her memories:

two sisters Delores Burnley (okc), JoAnn Gulley (okc),
one brother Hubert Gulley (okc) Baby Sister/Niece Yolanda Chukwu (okc),
Long time friend Tracy (okc),

Nieces and Nephews, a numerous number of Great Nieces and Nephews,
Cousins, and a Unanimous number of friends.

If I needed somewhere to go and I didn't know the way,
My sister would take me. If I just needed someone to talk to
when I felt like I had no one. My sister was there. If
I needed some place to rest my mind and get some peace. My sister was there.
Irma Jean will be truly missed because she is not only my sister,
but one of my best friends. Love you sister!

Aunt Jean,

Although you are physically gone you will always hold space.
The echoing of your voice could never be replaced,
An aunt who cared about us individually and respectfully too,
We hold not memories of chocolate, but of fried potatoes and special names,
of the way you shared your laugh without shame,
watching scary movies and football games.

We had good times, and now you have no pain.
We hope you know you've taught each of us something dearly,
we wish you well and will always have memories.

Love always,

Your Great Nieces and Nephews
