In Loving Memory

Monique Monea Hill was born on September 23, 1966 in Oklahoma City, Oklahoma to the late Reverend Otis Hill, Sr. and Florence White Hill.

Monique was preceded in death by her sisters: Lawrence Darlene Hill, Rubye Jean Hill-Phillips; and her brothers: Otis Hill, Jr. and Woodrow Warren Hill.

Monique attended school in the Millwood Public School District for the duration of her childhood through elementary, middle and high school. She graduated with her fellow Millwood Falcons in 1984. Following high school, she attended the University of Oklahoma and joined the Alpha Angels Auxiliary Group.

Following her time at the University of Oklahoma, Monique worked a variety of service-based and telecommunications occupations with the last being the position of Team Leader at Harkins Movie Theater in downtown Oklahoma City where she worked for over a decade. She was a staple in both their team and the community; all the restaurants close by knew her as “Momma Nikki.”

Monique was baptized as a child and attended the Episcopal Church of the Redeemer throughout

her childhood and early adult life. Although some personal struggles in her life led her away from the church, she reconnected with the Lord and joined Wildewood Christian Church where she was baptized again and is currently a member.

Monique leaves to mourn her five loving children: Stormy Gayle, ZsaZsa Chappelle, Bogart DeShon, Otis Latral and Gypsy Darlene, as well as her adorable grandson, Anthony Carter, who was always attached to his “MiMi” at the hip.

Although Monique faced several challenges in her life, including the disease that led to her untimely passing, she found joy in every day and was steadfast in her faith in the Lord and her love for her family; she believed in family unity under God. Monique was loved by her family, friends and community and was likeable by so many people throughout all walks of life; there was nobody Monique could not fellowship with. Monique lived her life by one phrase that she recited to her children daily and is the legacy that she leaves with us all.
